THE PROBLEM

More assets, stocks, bonds, real estate, commodities and crypto are becoming digital. But investing remains complicated, fragmented and stressful: too many apps, platforms, wallets, chains and steps.

INDEXLA makes on-chain investing simple.

THE SOLUTION

ONE PORTFOLIO. FULL CONTROL. TRUE OWNERSHIP.

HOW WE GROW

CREATORS ARE THE DISTRIBUTION ENGINE.

Creators bring their audience. Users invest. Creators earn 50% of applicable execution fees.

CREATORS → USERS → AUM →

VOLUME → REVENUE

DEGEN CLUB adds high-activity products that increase trading frequency and platform volume.

BUSINESS MODEL

1% EXECUTION FEE

Buys · Sells · Rebalances · Automated Execution

0% Management · 0% Performance · 0% Exit

Execution Volume × 1% = Gross Fees
Simple. Transparent. Aligned with activity.

PATH TO SCALE

WHY INDEXLA WINS

THE MOAT IS THE COMBINATION.

Most platforms solve one or two pieces.

No single platform combines all five. INDEXLA does.
