

# The Simple Way to Invest in Digital Assets

Discover. Build. Automate. Own.

Multi-Chain · Multi-Asset · Direct Ownership · AI-Automated · Private

INVESTOR ONE-PAGER

PRE-SEED | MVP IN DEVELOPMENT

## THE PROBLEM

More assets ,stocks, bonds, real estate, commodities and crypto are becoming digital.

But investing remains complicated, fragmented and stressful: too many apps, platforms, wallets, chains and steps.

**INDEXLA makes on-chain investing simple.**

## THE SOLUTION

**ONE PORTFOLIO. FULL CONTROL. TRUE OWNERSHIP.**

### DISCOVER

Find ready-made portfolios and strategies.

### BUILD

Create diversified cross-asset portfolios.

### AUTOMATE

Set your rules and let them execute automatically.

### OWN

Assets stay in your wallet. No custody.

## HOW WE GROW

**CREATORS ARE THE DISTRIBUTION ENGINE.**

**Creators bring their audience. Users invest. Creators earn 50% of applicable execution fees.**

**More Creators → More Users → More AUM → More Volume → More Revenue**

DEGEN CLUB adds high-activity products that increase trading frequency and platform volume.

## BUSINESS MODEL

# 1%

### EXECUTION FEE

Buys · Sells · Rebalances · Automated Execution

**0% Management · 0% Performance · 0% Exit**

**Execution Volume × 1% = Gross Fees**

Simple. Transparent. Aligned with activity.

## PATH TO SCALE

**SEED** \$5–7M AUM → \$25–35M Volume → \$250–350K Fees

**PRIVATE** \$20–30M AUM → \$100–150M Volume → \$1–1.5M Fees

**PUBLIC / TGE** \$40–50M AUM → \$200–250M Volume → \$2–2.5M Fees

**AUM → VOLUME → RECURRING REVENUE**

## WHY INDEXLA WINS

**THE MOAT IS THE COMBINATION.**

**True Ownership × Creator Distribution × Multi-Chain × Multi-Asset × AI Automation**

Most platforms solve one or two pieces.

**No single platform combines all five. INDEXLA does.**
